

E-xtreme

Make Essence to Extreme
Smaller | Lighter | Quieter
than ever

Smaller

• 360° contra-angle rotation

• Miniature contra-angle for better visibility & easier posterior access

Miniature contra-angle
Super Mini head & thin neck

Normal head & neck

• Slim and compact design for maximum comfort and mobility

Lighter

Less than 100 grams,
reducing hand fatigue during treatment,
providing the ultimate E-xtreme experience.

Quieter

Eighteeth innovative motor,
cutting down the noise from inside,
allowing you to experience the tranquility.

Reciprocation function:
five optional angles

Built-in file system
